Once you have used the MUSIC-*link* self-validation functionality for your MUSIC model and it either:

A) Meets the reportable parameter requirements for City of Onkaparinga's setup configuration and targets, then;

> STEP 1) Generate a City of Onkaparinga MUSIC-*link* PDF report for submission with your model.
>
> STEP 2) Submit your self-validated MUSIC model along with the City of Onkaparinga MUSIC-*link* PDF report to City of Onkaparinga as part of your Development Application.
>
> All material submitted must be in accordance with City of Onkaparinga DA submission requirements.

OR

B) The parameters and/or targets are outside the required ranges and you believe the use of these parameters or the output results can be justified, please follow the steps below:

> STEP 1) Generate a City of Onkaparinga MUSIC-*link* PDF report for submission with your model. **NOTE**: Any parameter breeches must be justified for the model to be considered by City of Onkaparinga.
>
> STEP 2) Provide reasons for model assumptions that are outside of default parameter ranges in the **Comments** section AND/OR
>
> STEP 3) Submit your self-validated MUSIC model along with the City of Onkaparinga MUSIC-*link* PDF report to City of Onkaparinga as part of your Development Application.
>
> All material submitted must be in accordance with City of Onkaparinga DA submission requirements.
